When I Was a Dinosaur

Oh, I used to be a dinosaur
I thought I was so cool.
Future fossil fuel,
That's all I ever was.

When I was a dinosaur
Everybody knew my name (Hey aren't you T-Rex?)
Everyone respected me (Wow!)
I had a mighty roar
When I was a dinosaur.

Chorus:
When I was a dinosaur
I almost weighed a ton,
I had a lot of fun
Cavemen on the run.

When I was a dinosaur
I stepped in lots of mud.
I walked around and snapped my teeth
And ate a lot of crud.
When I was a dinosaur.

I had a little bitty brain.
I never thought of anything
I never knew before.
When I was a dinosaur.

Chorus

When I was a dinosaur
I thought I was so cool.
Future fossil fuel,
That's all I ever was.
When I was a dinosaur.
That's all I ever was.
That's all I ever was.

Big Trouble

Grimwood/Idlet ©1991 Troutoons

My parents went out this afternoon,
And I was all alone.
I sure wish I'd gone with them,
Wish I'd never stayed at home.

Chorus:

'Cause I'm gonna be in Big Trouble
When my parents get back today.
'Cause this afternoon the monsters came
To my house to play.

There was a dragon in the kitchen,
That's why the ceiling's black.
And a vampire drank all the kool-aid,
And a witch chased off the cat.

The fly threw up some oopy goop
And that's what clogged the drain.
And the blob sat on the sofa,
And he left an awful stain.

Chorus

Well Frankenstein wanted to play baseball.
So I told him to play outside.
He didn't hear a word I said,
That's how the TV died.

What happened to the table?
They're probably going to ask.
There was a big guy with a chainsaw
And a scary hockey mask.

Chorus

Well the ghost went through the closet
He knocked the clothes all off the rack.
And the mummy ripped the sheets up and wore them
'Cause he was starting to unwrap.

A werewolf ate all the cookies,
And then he ate the cookie jar.
And he was going to eat me, too,
So I hid behind the door.

Now old Miss Johnson lived all alone
Had an old yeller cat that wouldn't leave home.
She tried everything she knew
To make the cat go away

Chorus:

But the cat came back the very next day
Thought he was a goner,
But the cat came back 'cause he wouldn't stay away.

She gave him to a boy goin' out in a boat,
And she gave the boy a dollar
Just to set the cat afloat
Well the boat tipped over and the boy drowned
Two miles away, they picked the boy up drowned,

Chorus

And she gave him to a man goin' up in a balloon
And asked him for to leave him with the man in the moon.
Well the balloon burst and back to earth it head,
Six miles away they picked the man up dead.

Chorus

And she took him to the butcher when the butcher wasn't
around
And she dropped him in the hopper when the butcher
wasn't around.
Well the cat let out with a horrible shriek,
And the town's meat tasted furry for a week

Chorus

Now old Miss Johnson lived all alone
Had an old yeller cat that wouldn't leave home.
She tried everything she knew
To make the cat go away.

I Think I'll Need a Bandaid

Keith & Beth Grimwood/Ezra Idlet © 1991 Troutoons

There's a scratch on my finger from the cat.
I was only petting him, who'd have thought he'd do that?
And it doesn't feel good, and there's a sliver of wood
From the bench in the park where I sat.

Chorus:

So I think I'll need a bandaid (need a bandaid),
Or maybe three or four (or five or six or more)
And a bottle of that spray stuff we just got at the store.
Some sticky tape, a roll of gauze, and if you'd be so kind,
A washcloth and a piece of ice, but not the iodine.
No iodine.

There's a bump on my head from the wall.
I hit it when I was playing with the beachball.
I was climbing in a tree when I fell and skinned my knee.
It hurt, but I didn't cry at all.

Chorus

There's a hole in the sleeve of my shirt
On my arm there's a scrape and some dirt.
My friends were very sad, but I said it's not too bad.
As a matter of fact it doesn't even hurt yet.

What I Want is a Proper Cup of Coffee

R.P. Weston/Bert Lee © 1926 Francis Day & Hunter

A Sultan sat on his oriental mat
In his harem in downtown Persia.
He took a sip of coffee, just a drip,
And he said to his servant Kersia,
"Aw curse ya', curse ya', curse ya',
That's the worst cup of coffee in Persia!" 'cause

Chorus:

All I want is a proper cup of coffee
Made in a proper copper coffee pot.
I may be off my dot,
But I want a proper coffee in a proper copper pot.
Iron coffee pots and tin coffee pots, they are no use to me.
If I can't have a proper cup of coffee
In a proper copper coffee pot,
I'll have a cup of tea.

In days of old, when knights and men were bold,
And whiskey was much cheaper.
Ben Turpin rode to a coffee shop
And showed his pistols to the keeper
He said, "Stand and deliver!
Can't you see that I'm all a quiver?" 'cause

Chorus

When Bonaparte found that he was in the cart
And he lost that Waterloo fight.
He gave his sword to Wellington, my Lord, and he said,
"Those British can't half fight.
Now you've had your Waterloo, sir, tell me what
Am I having with you, sir?" 'cause

Chorus (with French accent)

Now King Solomon and his queen would carry on,
So we heard in the ancient scandals.
He bought her lots of silver coffee pots
With diamond legs and handles.
And said the queen of Sheeba,
"I'd rather have any old tea bag," 'cause

The Window
Nursery Rhymes/traditional

Georgie Porgie, puddin' and pie
Kissed the girls and made 'em cry.
When the boys came out to play

Chorus:

They threw him out the window,
The window, the window.
They threw him out the window.
When the boys came out to play (last line of nursery rhyme)
They threw him out the window.

Humpty Dumpty sat on a wall
Humpty Dumpty had a great fall.
All the King's horses and all the King's men

Chorus

Little Miss Muffitt, sat on her tuffette,
Eating her curds and whey.
Along came a spider and sat down beside her,

Chorus

Peter Peter, pumpkin eater, had a wife
And couldn't feed her.
Put her in a pumpkin shell and

Chorus

Mary had a little lamb, little lamb, little lamb.
Mary had a little lamb

Chorus

Old mother Hubbard, she went to the cupboard
To get her poor doggie a bone,
But when she bent over the doggie took over and

Chorus

Hey there little Red Riding Hood,
You sure are looking good,
You're everything a Big Bad Wolf could

Chorus

Rub-a-dub-dub three men in a tub
There was an old woman who lived in a shoe

And who do you think they'd be?

She had so many children she didn't know
what to do

The butcher, the baker, the candlestick maker, we'll

She spanked them all soundly and put them to
bed, and

Throw 'em out the window, the window, the window.

The butcher, the baker, the candlestick maker, we'll

She spanked them all soundly and put them to
bed, and

Throw 'em out the window.

Chorus:

Pico de gallo, you oughta give it a try-o
Even if you're from Ohio, it'll get you by-o.
Don't get it in your eye-o unless you want to cry-o
So come on, don't be shy-o, eat some pico de gallo!

It's got jalapenos, I reckon y'all have seen those.
They're kinda hot for gringos and probably flamingos.
Just add some tomatillos, onions and cilantro,
Lime juice and tomato, you got pico de gallo!

Chorus

It was Cinco de Mayo, and I was down on the bayou
With my good friend Venus de Milo,
We were watchin' Hawaii Five-O
She wanted some French fry-o's, or maybe apple pie-o
And I said why, oh, why-o? We got pico de gallo!

Pico de gallo, you oughta give it a try-o
Even if you're from Ontari-i-o, it'll get you by-o.
Don't get it in your eye-o unless you want to cry-o
So come on, don't be shy-o, eat some pico de gallo!
So come on, don't be shy-o, eat some pico de gallo!

Nobody

Grimwood/Idlet ©1991 Troutoons

Chorus:

I've got a friend that lives with me,
My friend's name is Nobody.
Nobody plays with me, Nobody loves me.
I've got a friend that you can't see,
My friend's name is Nobody.
Nobody listens, Nobody cares.

One day while playing baseball outside
He broke the window then ran off to hide.
My mom came out and she asked me,
"Who did this?"
I said, "Nobody."
Nobody believed me, mom said I lied.

Chorus

We talk under the covers late at night,
After I have gone to bed, turned out the light.
My dad came in and he asked me,
"Who ya talkin' to?"
I said, "Nobody."
Nobody listens, dad says be quiet.

Nobody sure gets me in trouble.
For Nobody I take a lot of blame.
But if Nobody's gonna be my friend,
I sure wish he'd get another name.

Chorus

Nobody listens, Nobody cares.
Nobody listens, Nobody cares.

Chorus:

We are the dinosaurs, bigger than a grocery store.
Food is what we're lookin' for, to find enough's a
mighty chore.
'Cause everything in sight is just a little bite. Roar!

I'm long as a house, but I'm not too tall.
I'm hip, I'm heavy, about nine tons in all.
I got a bony shield, I got a tail that flops.
'Cause I'm a three-horned happenin' Triceratops.

Chorus

I'm Tyrannosaurus Rex, and I'm the leader of the pack.
I could eat a hippopotamus and call it just a snack.
The sound of my footsteps, it fills the world with fear,
But what's caught between my teeth
Could feed an army for a year.

Day Care Blues

Keith & Beth Grimwood/Ezra Idlet ©1991 Troutoons

My mom's at work, Dad's out of town.
I can't go home, 'cause there's nobody 'round.
I'm feelin' mighty bad from my head down to my shoes.
I got the low-down no-fair after school day care blues.

I'm sick of all these crayons, I've done these
puzzles twice.
I've already spent seven hours in school bein' nice!
I'm feelin' mighty bad, I don't know what I want to do...
sure ain't this, y'all.
I got the low-down no-fair after school day care blues.

I could be out playin' baseball or home watchin' TV.
Please pick me up early, my Nintendo misses me.
Feelin' mighty bad, and I don't wanna play with you.
I got the low-down no-fair after school day care blues.

Feel like I'm in prison, under lock and key.
They got me hangin' out with babies, that guy over there's
not even three!
And I find it hard to relate to a guy that licks his shoes.
I got the low-down no-fair after school day care blues.
I got the low-down no-fair after school day care blues.
I got the low-down no-fair after school day care blues.

If you go out in the woods today be sure for a big surprise.
If you go out in the woods today you better go in disguise.
For every bear that ever there was
Will gather there for certain because
Today's the day the teddy bears have their picnic.

Picnic time for teddy bears
The little teddy bears are havin' a lovely day today.
Watch them, catch them unaware
And see them picnic on their holiday.
See them gaily gad about, they love to play and shout
And never have any care!
At six o'clock their mommies and daddies will take them
home to bed
Because they're tired little teddy bears.

Lullaby

Grimwood/Idlet ©1991 Troutoons

Close your eyes, and I'll sing you a song.
Lullaby, sleep 'til morning comes.
The cricket's serenade echoes softly through the night.
The stars are on the lake,
And the moon is shining bright.
Don't worry, I'll leave the light on in the hall,
Just go to sleep now close your eyes.

Close your eyes, listen to my song.
Lullaby, sleep until the dawn.
The birds are in their nest and the cows are in the barn.
The covers on your bed will keep you safe and warm
Don't worry, I'll be beside you should you call,
Just go to sleep now close your eyes.

Dragons in the sky,
Flying with their golden treasure.
If you catch their eye,
Wishes granted, more than you can measure.
I'll be beside you should you fall.
Just go to sleep now close your eyes.

The cricket's serenade echoes softly through the night.
The stars are on the lake,
And the moon is shining bright.
Don't worry, I'll leave the light on in the hall,
Just go to sleep now close your eyes.
Just go to sleep now close your eyes.
